Packaging Instructions and Decal Placement

D350-600-046

Wrap spacepod door in foam. Wrap hardware kit in foam. Place spacepod in crate with hardware kit beside. Add foam to any loose areas. Close crate and apply label D2729-3 as per instructions in QSI 014 sect. 4.5. Apply clear tape to the label and staple it in place.

NOTE: Fill all voids of box with foam to prevent movement.
